

# Welcome to the Tuckshop

# Dear Tuckshop Volunteer,

Welcome to the Tuckshop. Without people like you volunteering your valuable time, we could not operate our tuckshop, so, THANK YOU! Tuckshop volunteering can be a lot of fun and a great way to meet other parents and members of the school community.

The students and staff that we serve are very important to us and we pride ourselves in providing them with good quality nutritious and safe food.

There are some simple steps we take during food preparation to make sure that the food is safe and won't cause illness. Please take a minute to read the rest of this brochure **before** coming to the tuckshop. Most of these things you probably already do at home, so they are just reminders.

Please,

Wear clean, comfortable clothes. Tie long hair back and keep loose hair away from your face. For your own safety, please wear covered shoes.

Let the convenor know as soon as possible if you are sick (especially if you have an upset stomach, vomiting, diarrhea, infected sores, cold or flu)

Keep jewellery to a minimum.

When you are in the tuckshop please remember to wash your hands thoroughly **before;**

- handling any food
- and after**
- visiting the toilet
  - using a handkerchief or tissue
  - coughing or sneezing
  - eating, smoking, or touching animals
  - touching your hair or other body parts

If you are a regular volunteer or about to help us out for the first time, these few things can go a long way to helping us to make sure the food we provide for our kids is safe.

Looking forward to seeing you and we hope you enjoy your time in the tuckshop.

Marg Thompson  
Tuckshop Convenor
