Terms and Conditions for School Bus Travel

Caloundra Christian College owns and operates a College Bus Service for our enrolled students, from Prep to Year 12. We are governed in all our transport operations by the Queensland Government Department of Transport and Main Road "Public Transport" Legislations and Regulations.

Please take the time to read carefully the 'Terms & Conditions' to which you must agree when you submit the on-line Bus Application for student travel on Caloundra Christian College buses.

- This bus application is only valid until the end of the current school year, or upon your request to stop/terminate the bus arrangements and payment. You are required to reapply at the end of each year for students requiring bus travel in the following year, as bus runs may change from year to year.
- All bus runs are structured in such a way that your child may be picked up any time from 6.50 am and dropped off up to 5.00 pm, and their time on the bus is proportionate where possible to the travel distance from the College. The College reserves the right to make changes to any existing bus arrangements (times, location & bus runs) and will provide 7 days notice.

Locations for Student bus access

- All bus routes, directions, times and seating capacity are set at the beginning of each year by College Transport Services.
- Bus routes are scheduled to reduce impact and safety risks associated with travelling along narrow streets and higher density residential areas. With this in mind, we do not provide a door-to-door service. Pick up or set down will be at existing bus stops in your area, or safe locations at street corners. We have increasing numbers of families requesting access to our bus service network, and in response to this demand, we are planning to increase capacity, runs and bus fleet as required.

College Buses

- The College operates regular daily scheduled bus runs, providing coverage to Caloundra, adjoining suburbs, central Sunshine Coast and Hinterland areas. Our modern fleet includes midi and larger size buses, all air-conditioned, seatbelts and CCTV equipped. Our bus fleet is mechanically maintained, serviced and operates in compliance with Queensland Government Department of Transport and Main Road Passenger Transport Regulations and Conditions.
- Our College provides a safe, reliable and efficient transport service of the highest standard for our students. In line with our commitment to continued improvement we have a transport management system that provides real time tracking of both our bus fleet and all student passenger movements. This allows families access via smart devices to the following 'Student Tracker' options;
 - Check-in and check-out time and location notifications
 - Real time live student tracking
 - Absentee notification

Multiple destinations or pickup locations

- A purchase of one seat on one bus allows you to access AM and PM to one pick up and drop off location, it does not give guaranteed access to multiple destinations on any other bus run.
- Should you require an additional seat on another bus run, the following conditions will apply:
 - Seat availability on the second bus run
 - No guarantee on second seat for all of 2024
 - Additional administrative costs will apply

Changes or Cancellations to existing bus transport arrangements

- We have a structured and scheduled timetable for our bus runs and we are committed to maintaining a high level of reliability and on time service. Should a circumstance arise that we are not able to keep this service level, we will contact you via SMS if your child/ children's scheduled pick-up or drop off is delayed by 15 minutes or more.
- Any requests for permanent changes to the existing travel arrangements will need to be submitted as a new bus application to the College and be processed as per a new application procedure.
- Any non-permanent (one-off) requests for a change to a student's existing bus arrangements are to be made 24 hrs prior to allow College time to process and confirm if the request can be granted.
- Parents/ carers can now notify the College of absences directly through the College app.
- To do this, click on the 'Information' tab on the front page of the app and then select the link 'Bus Absentees'. This will take you to the Student Tracker website where you can notify the College of any upcoming absentees and the option of tracking bus while your child/ren in checked-in.

- Cut off time for morning and all-day absences is 6:00am. Cut off time for afternoon absences is 1:00pm.
- **It is important to notify the College that your child will not be catching the bus home if they are attending afterschool activities such as tutoring, sports, CRIB or similar. The bus roll is NOT automatically updated if you register for these events.**
- Students are not permitted to request a change or adjustment to existing bus travel arrangements, as parent/carers must make these requests to the College with sufficient time to process as per above guidelines.
- Bus seat allocation and billing will remain current until student's bus transport has been officially cancelled in writing by contacting the College office or email general@calcc.qld.edu.au
- Should you change your address and therefore your bus pick up or drop off arrangements, you are required to submit a new completed Bus Transport Application to the College office or email general@calcc.qld.edu.au.

Parent/ Carers responsibility

- Ensuring the College has an up-to-date telephone number on which they can be contacted during the hour prior to and after the set pick-up and drop-off time;
- Having a contingency plan to care for their children in the unlikely event of a bus not being able to complete its run for any reason;
- Having your child ready to board the bus at the arranged time every day. If the student is late to their stop, the Bus Driver will continue on the scheduled run to the College. We are unable to put at risk other students waiting on the road for their scheduled pickup;
- Having a responsible adult or older sibling accompany a Primary student to the bus stop from which the student commences the journey to the College and remain until the student boards the bus;
- Having a responsible adult or older sibling to be at the bus stop at which a Primary student ends the journey from the College to meet and collect the student;

Note: If a parent/carer is not at the designated bus drop off location and the driver is unable to make contact with the parent/carer, the driver will complete the bus run and return the student to Caloundra Christian College, where the Principal/Deputy Principal will care for the student, until arrangements have been made.

- Supporting the College by discussing and promoting with your child, the 'College Bus Rules' and the 'Rights and Responsibilities of Bus Students', which is outlined in the 'Code of Conduct for Students travelling on Buses';
- Advising the College immediately of any changes to regular bus requirements (e.g. change of address/change of frequency of bus travel) – via a new Bus Transport Application;
- Advising the Transport Coordinator if you have any concerns or wish to report any incidents relating to your child's travel on the College bus;
- Completing and returning the Bus Transport Application each year, ensuring Bus Code of Conduct is read and signed by the student bus traveller and parent/carer of student bus traveller;
- Notify the Bus Coordinator of any additional travel requirements as they arise. Students who present to the bus for travel that has not been prior arranged may not be able to travel due to seating availability and route planning;
- Register and actively use the College's Student Tracker facility to track their student, notify the College about student absences and to access information about any behavioural incidents relating to bus travel;
- Temporary or permanent refusal of travel will occur only after consultation has taken place between the Student, College Principal, Parent/Carer and College Transport Services.

Special considerations for Junior Primary Students (including Prep)

- Before your child will be permitted to travel on College buses, you must have satisfied the College that he/she is capable of travelling by bus and complying with the 'Conditions of Travel'.
- The child must be capable of travelling as a bus passenger without assistance from the driver, including being able to get on and off the bus, get from the bus drop-off location to their classroom and, if required, change buses.
- The student must be fully toilet-trained.

Conditions of Travel

- The student must obey 'College Bus Rules' and the Queensland Transport 'Code of Conduct for students travelling on school buses' and the directions of the driver.
- Parents/carers must notify the College of any changes to their child's usual school or travel schedules or their pick-up/drop-off arrangements.
- Bus fees are paid in advance or an approved payment plan has been commenced.
- Existing Travel Pass cards will be accepted during the first term of 2024. From the beginning of Term 2, a 2024 Pre-Paid Travel Pass card will be required to travel.
- Students presenting at the buses for Casual Travel without a Casual travel Buss Pass will have travel amounts for travel calculated and charged to College fee account at the end of each term.

Medical Conditions

Our bus services may require certain students, depending on their location, to travel for up to 1 ½ hours during the morning or afternoon service.

- Indicate on the Bus Application whether your child has any medical issues relating to travelling in a bus.
- Should the student require any medical treatment during transportation, bus driver will assess the circumstances, provide initial response in-line with the conditions and will call an ambulance if required.
- Please ensure the College is aware of any medical concerns that may affect your child during bus travel.

Student Bus Travel may be suspended or withdrawn if:

- A student or parent/carer does not comply with the College, 'Terms & Conditions of Bus Travel' or the 'Code of Conduct for Students Travelling on School Buses'.
- The student is persistently disruptive to other passengers, the bus driver or other staff.
- Circumstances exist which make it unsafe or impractical for the student to continue to travel on the bus.
- The student behaves in a way that endangers the safety of other passengers or causes malicious damage.
- The parent/carer regularly fails to deliver the student to, or collect the student from the bus location in a timely manner.
- The student requires any ongoing medical treatment which may affect the overall bus service. The parent/carer fails to advise the bus driver or College office when the student is not travelling.
- If a student is suspended from bus travel, a new 'Application for College Bus Transport' will need to be submitted.

Student Behaviour on buses

The College as an operator of a Public Transport Service is obligated to abide by the Queensland Government Legislation regarding "Code of Conduct for School Students Travelling on Buses".

In our 'Bus Travel Information Pack', you have a copy of this Code of Conduct information to discuss with your child/children and also a copy of the College Bus Rules.

Should your child/children breach these rules we will contact you for assistance to remedy the inappropriate behaviour.

If the behaviour breaches continue, we will follow the steps outlined in the "Code of Conduct for School Students Travelling on Buses".
